Sanitary Inspector to the Saxmundham Urban
District Council for the year 1942.

Meat and Food Inspection.

All the Meat for consumption in Saxmundham is supplied from the Ministry of Food Slaughterhouse and during the year all the animals slaughtered therein were inspected by me. This entailed the making of 367 visits during the year and in the year 6 tons 17 cwts 3 qrs 17 lbs of unsound meat or diseased meat was found and condemned at this Slaughterhouse.

In addition, by 19 visits to various shops in the district the following quantities of food were found to be unsound and condemnation notes issued. 103 lbs of tinned foods 7 lbs sugar 394 Eggs.

Infectious Disease.

Two enquiry visits and two disinfections were carried out during the year in connection with Infectious Disease.

Milk and Dairies Order.

16 visits were paid to registered premises and three verbal notices were given regarding minor points and these were attended to.

Bakehouses..

17 visits were made to Bakehouse premises and with the exception of two visits were found satisfactory. On the two occasions verbal notice was given (1) to cleanse floor (2) to provide towel for washing. Both these were remedied by the next visit.

Factories and Workshops.

6 inspections of the Sanitary Accommodation attached to workshops were made and they were found in a satisfactory condition.

Rat and mice Destruction Acts.

2 visits made in connection with complaint re rat infestation and appropriate action taken.

Housing.

22 visits including re-inspections were made during the year in connection with housing defects. 8 informal notices were served to remedy defects. In one case a statutory notice was served and the work was carried out under that notice by the owner.

Complaints, nuisances &c.

17 visits were made during the year under this head and action was taken as necessary. In one case it was necessary to have new drainage laid to the premises. All work was executed under informal notice.

(Signed).

L. C. CORLETT,

Sanitary Inspector.
